1. The Motion is granted on a final basis as set forth herein.
2. The Debtors shall serve a copy of this Final Order on each Insurance Carrier and Broker listed in Exhibit C attached to the Motion within two (2) business days after entry of this Final Order.
3. The Debtors are authorized, but not directed, to: (a) continue and maintain the Insurance Policies, Surety Bonds, and Letters of Credit, and pay any related prepetition or postpetition amounts or obligations in the ordinary course of business and consistent with prepetition practice, including any amounts or obligations that may be owed to the Broker or Claims Administrator; (b) renew, amend, modify, supplement, extend, cancel, replace, execute, or

4. The banks and financial institutions on which checks were drawn or electronic payment requests made in payment of the prepetition obligations approved herein are authorized to receive, process, honor, and pay all such checks and electronic payment requests when presented for payment, and all such banks and financial institutions are authorized to rely on the Debtors’ designation of any particular check or electronic payment request as approved by this Final Order.

5. Notwithstanding the relief granted in this Final Order and any actions taken pursuant to such relief (including any payment made in accordance with this Final Order), nothing in this Final Order is intended as or shall be construed or deemed to be: (a) an implication or admission as to the amount of, basis for, or validity of any particular claim against the Debtors under the Bankruptcy Code or other applicable non-bankruptcy law; (b) a waiver of the Debtors’ or any other party in interest’s rights to dispute any particular claim on any grounds; (c) a promise

or requirement to pay any particular claim; (d) an implication, admission, or finding that any particular claim is an administrative expense claim, other priority claim, or otherwise of a type specified or defined in this Final Order or the Motion or any order granting the relief requested by the Motion; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; or (g) a waiver or limitation of the Debtors' or any other party in interest's claims, causes of action, or other rights under the Bankruptcy Code or any other applicable law. Any payment made pursuant to this Final Order is not intended and should not be construed as an admission as to the validity, priority, or amount of any particular claim or a waiver of the Debtors' or any other party in interest's rights to subsequently dispute such claim.

6. The Debtors are authorized, but not directed, to issue postpetition checks, or to effect postpetition fund transfer requests, in replacement of any checks or fund transfer requests that are dishonored as a consequence of these chapter 11 cases with respect to prepetition amounts owed in connection with the relief granted herein and to the extent authorized by this Final Order.

7. Notwithstanding anything to the contrary in this Final Order, any payment made, or authorization contained, hereunder shall be subject to the "Approved Budget" as defined in the orders of the Court approving any use of cash collateral in these chapter 11 cases.
